

POTABLE SERVICE SHUTDOWN

DATE OF OUTAGE: _____

To Whom It May Concern:

Black Rock Utilities (BRU) has a scheduled repair that requires a service main to be shutdown. Such repairs are a routine part of delivering quality water to all homeowners.

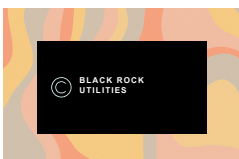

BRU will have to shutdown the potable service main for _____. This letter is a notice that household water will be down for the properties on _____. While BRU works to minimize the time of any outage, it cannot guarantee the duration.

BRU apologizes for any inconvenience caused by this scheduled service. If you have any questions or concerns, please call +1 (208) 772-7867, or submit an email to: braden@unitedcrown.com and ragueros@unitedcrown.com

Thank you for your time.

Sincerely,

Braden Agueros, J.D.
Utility Manager,
Black Rock Utilities
