

BLACK ROCK UTILITIES

VENDOR INFORMATION REQUIRED

Prior to conducting any type of work or services for Black Rock Utilities the following items are required to be provided and maintained.

- Workers Compensation insurance for your employees in the minimum amount of \$1,000,000 liability limits or that required by the State of Idaho Law, whichever is greater.
- General Liability coverage providing comprehensive coverage for bodily injury and property damage and personal injury including ongoing operations and completed operations with limits of \$1,000,000 per occurrence and \$2,000,000 in the aggregate.
- Automobile Liability coverage of limits of \$1,000,000 per occurrence for owned and non-owned vehicles.
- Professional Liability limits of \$1,000,000 as determined by scope of work.
- Pollution Liability limits of \$1,000,000 as determined by scope of work.

All insurance policies will name **Black Rock Utilities as an additional insured** and certificates of insurance will be submitted prior to accessing locations or jobs.
